ABOUT ME

It was with childlike joy that I commented on my friends' soccer matches on the lawn and on the console from a young age.

After my youth in Nidderau-Eichen, I moved to the famous student city of Marburg in northern Hesse for a business studies degree. In 2015 I came to the Bavarian metropolis of Munich. It was in 2018, when I finally began to devote myself professionally to one of my greatest passions: **sport**.

Event Moderator

Fair Moderator

Since then, I have been working as a sports commentator and stadium announcer, and later the moderation of live events was added to my portfolio. The passion for sporting competition inherited from my football-enthusiastic father makes it possible for me to comment on almost every sport event with big enthusiasm. For me, sport is one of the most beautiful things in the world. Whether soccer, boxing or table tennis. Almost every sport captivates me.

LIVE COMMENTATOR

The aim of my work is to create an unforgettable experience for the viewer.

Honest emotions and true passion, from the competition directly to the living room. Journalistic work with highest quality. I stake my reputation on this.

"I always do my live commentary with full enthusiasm. With meticulous preparation as a basis, I transform your sport into an absolutely thrilling experience for your spectators. Whether in Munich or all over Germany."

MASTER OF CEREMONY

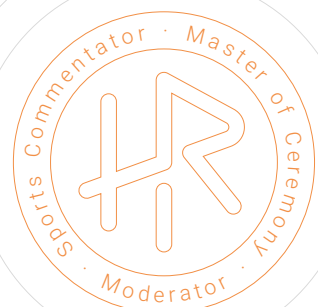

The optimal accompaniment of your event is the most important thing for me in my work as a stadium announcer.

To give the visitors a good feeling and to let the event run smoothly. Professionally, on point and if desired also loose and emotional. That makes a good stadium announcer for me.

"No matter what sport, all important information is brought to the audience by me as a stadium announcer compactly. Spiced with a touch of humour, I'll give you a stadium experience that your visitors won't forget so quickly."

- ✓ Moderation at the beginning and during the tournament
- ✓ Consistent classic stadium announcements
- ✓ Performing the award ceremony for teams or individual athletes
- ✓ All other necessary stadium speaker activities during the tournament
- ✓ Close cooperation with the organiser
- ✓ Interviews with athletes, coaches or team officials

Hosting a fair is always a great honour for me. To give the whole event a framework, to get in touch professionally with many topics and simply let the visitors have a good time.

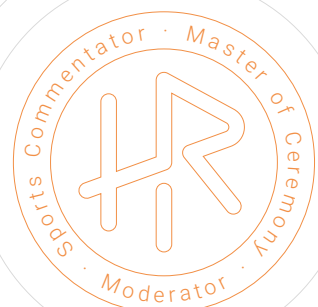

Getting the most out of the event with teamwork and making my contribution with a unique moderation is what matters to me. Moderate in a qualitatively valuable way. For your trade fair.
