REALLY PICKING UP THE AUDIENCE AND MAKING THE EVENT AS LIVELY AS POSSIBLE IS WHAT MATTERS TO ME IN MY WORK AS AN EVENT MODERATOR.

Put a smile on the face of the visitors, or simply bring things closer to them with clear moderation. With a lot of humour, a powerful voice and full focus. For your event.

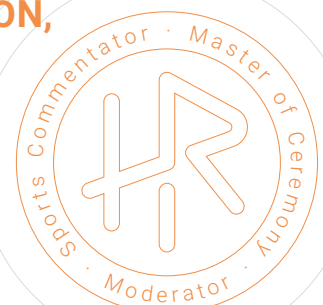

When I work as an event moderator, the atmosphere at your event is what matters to me mostly. With clear moderation and a touch of humour, I contribute my part to an unforgettable evening for the audience. For events from different areas, whether Munich or the whole of Germany.

"I am a professional at the microphone and present different topics of your event with joy. The result is a clear moderation for events in sports, for companies or for a chic evening gala."

**THE SLIGHTLY DIFFERENT MODERATOR WITH PASSION,
WHO REMAINS IN THE MEMORY OF THE AUDIENCE.**
