**HOSTING A FAIR IS ALWAYS A GREAT HONOUR FOR ME. TO GIVE THE WHOLE EVENT A FRAMEWORK, TO GET IN TOUCH PROFESSIONALLY WITH MANY TOPICS AND SIMPLY LET THE VISITORS HAVE A GOOD TIME.**

Working for Bavarian Football Association

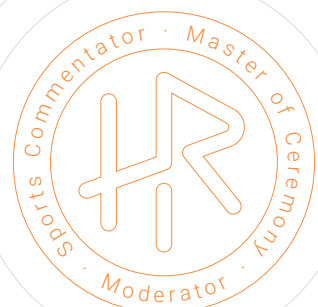

Getting the most out of the event with teamwork and making my contribution with a unique moderation is what matters to me. Moderate in a qualitatively valuable way. For your trade fair.

In my work as a trade fair moderator, the atmosphere at your fair is especially important to me. With clear moderation and a touch of humour, I contribute my part to a very special fair. Getting in touch with a wide range of topics particularly excites me at the trade fair moderation. It will be very important for me to bring your products closer to the visitor. In addition, I will incorporate my sales expertise from my past in the B2B business to attract the customers you want to your exhibition booth.

*"The professional at the microphone, bookable for trade fairs, companies or congresses. Focus in Bavaria, especially Munich and Nuremberg."*

**THE SLIGHTLY DIFFERENT FAIR MODERATOR,  
WHO WILL BE REMEMBERED BY VISITORS  
AND THE AUDIENCE.**
